

STUDENT Micro Residency Application

In order to incubate artists emerging out of the educational system, and to ensure access to space, tools and time, the Steel Yard offers the free Student Micro Residency. This opportunity is available to current, or recent, students working primarily in ceramics, jewelry, metals, or foundry. The Student Micro Residency is offered every summer, beginning on June 1st and running through August 31st.

Incomplete or partial applications will not be considered.

It is the policy of the Steel Yard that there shall be no discrimination with respect to the selection of the artist in residence because of race, color, sexual orientation, religion, national origin, gender, age, physical limitations or military status.
